PRESIDENT'S MESSAGE

Monica Asbury

Congratulations to our winners of OCR's 51st White Glove Concours, as well as a special congratulations to those OCR members who were "first-time winners" at the Porsche Parade's Concours and invited to participate in the Historics!

Porsche Parade was Por-sche-li-cious! Especially when you win a Treffen Princess Cruise!!

Mark your calendars for OCR's 2023 New Member Picnic. We are back at our former, larger picnic area with plenty of up-front parking, Area #3 on Saturday, September 16th. While we celebrate our new members who joined after October 8, 2022, we also encourage our current members to attend. Our new members enjoy their meal complimentary while the fee for current members is \$10 per person. Two ways to register. 1) Register with payment at the August 5th Club Meeting at the Elks Lodge, or 2) Mail your payment, payable PCA-OCR, to: P. O. Box 6726, Huntington Beach, CA 92615. New members please RSVP to: Khlopez23@gmail.com with the number in your party to ensure we have plenty of deliciousness.

There is a park entry fee of \$5 per vehicle.

Monterey Werks Reunion is scheduled for August 18th! Registration is open. What is Werks? Werks Reunion was created by PCA as an event to celebrate both the Porsche marque as well as the camaraderie of being an enthusiast. This is not a contest of who has removed dust from the deepest crevices in their Porsches but rather a judged show that rewards a Porsche that has been lovingly maintained and presents itself well on the field. You may also park your car in a model specific non-judged corral. Werks is a casual gathering of Porsche enthusiasts focused on having fun rather than solely competition.

SAVE THE DATE, OCR's Holiday Party is scheduled for Sunday, December 10, 2023.

Stay well, safe driving and enjoy the ride!

We are Porsche S-T-R-O-N-G

Monterey Car Week

Monterey Car Week is this month and some look forward to it as much as a child does Christmas.

The Monterey Peninsula offers the gift of nature's beauty, is an elixir for enjoying life and hosts the international car world.

For the experienced visitor things have changed. No longer is there Tuesday's Concours-on-the-Avenue in Carmel, no Pebble Beach Tour d'Elegance Carmel stop on Thursday.

The week is measured in dollar signs: early in the week it is 0-\$ ranked events, by Sunday its \$\$\$\$\$.

The weekend's perennially pretentious award goes to The Quail, A Motorsports Gathering with notoriously high-dollar prices that make no sense.

Pebble Beach's Concours d'Elegance at \$475 (advance general admission before August 1) is a bargain. It is the headline event.

It is a revenue machine for the Pebble Beach Company; just general admission for the advertised 15,000 in attendance yields \$7.1 million. Add 80 corporate sponsors, tax write-offs. They do have the world's best display of pre-war automobiles.

I am looking forward to visiting my annual haunts, performing the rituals and routines of Monterey Car Week, and look for Santa Claus.

Be kind, be generous, be well.

RESTORATION AND PRESERVATION SOLUTIONS

Dry Ice Cleaning is a gentle form of blasting that employs a combination of air and dry ice pellets. It achieves remarkable results by cooling the surface to an extremely low temperature of -109 degrees, thereby loosening contaminants. With the added force of kinetic energy, it effectively eliminates all forms of dirt and grime without causing any harm to the original surface coating.

The Porsche 911 is 60.

Story and Photos
by Rob Alen

This year the Porsche 911 celebrates its 60th anniversary. Its shape is iconic and identifiable by anybody in the civilized world.

First introduced at the 1963 Frankfurt Motor Show as the 901 (later to become the 911), also on the stand was the latest 356C, and the new Porsche Carrera GTS (later to be known as the 904). The 911 would go into production the following year.

Road & Track's first road test (March 1965) said, "The overall impression is that this car was built by

men who know something about fast motoring and that it is destined for owners who feel the same."

It is hard to miss its Porsche paternity from the 1939 Type 64, to the 356, to the fastback 911.

The visual design character is unmistakable in the free standing front wings, flat sloping bonnet, elliptical side windows and fastback rear window design.

And while it's gone through eight generations of design, the key 911 character traits have still been retained and remembered.

PCA-OCR White Glove Concours

Photos by Gary Ambrose and Jim Storms

**Porsche Club of America Orange Coast Region
51st White Glove Concours, June 10, 2023
Sea Terrace Park, Dana Point, California**

It was a beautiful morning for a line-up of over 250 Porsches to snake their way into Sea Terrance Park for the PCA-OCR annual concours.

Equipped with spray bottles of car detailer. Mounds of micro-fiber towels. Q-tips. Toothbrushes. Leather conditioner. To finish off weeks of preparation.

Hagerty Insurance graciously provided morning coffee and bagels to get fortified for the day's action.

Some owners were coming to play serious; 40 cars stepped up to be judged. Head judge OCR's Steve Fairbanks marshaled a corps of qualified judges; some who came in from out-of-state for the event.

A gaggle of owners came to show their car in the "Detail & Shine" category. Although they may not like being formally judged, their eagle eyes scanned for smears, spots, and streaks.

C

oncour chair Henry McArdle organized some very cool trophies. In addition to 8 division winners, a past award returned, Joe Nedza Award. Joe Nedza was a long time member of OCR and Zone 8 Concours Head Judge. He died unexpectedly in 2018. Representatives from Porsche Irvine made this year's award to Mark Brandenburger for his 1976 Mexican Blue 912E. His score for his class was 238.1 out of 240 points.

There was a settlement of E-Z Ups lining the edge of the field, led by OCR's famous Goodie Store, sponsors and vendors Porsche Long Beach, Protective Film Solutions, Hagerty Insurance, Sierra Madre Collection, Fuchs Restoration, Porsche Irvine.

All in all the 51st was a success...plenty of Porsches, over 500 spectators circulating amongst Porsches of every stripe and model. So time to get ready for next year, time's a'wasting.

PCA-OCR is in PSP: Orange Coast Region at 2023 Porsche Parade, Palm Springs

Photos by Gary Ambrose

To me, the best part of Parade was socializing with other OCR members who attended. The initial evening's Zone Party provided a great opportunity to do so. I enjoyed seeing many old friends and met several OCR members for the first time.

–Tom Gray

For Monique and I attending a Porsche Parade is special. We get to see friends from all over the country that we have met at Parades past. So it's not only the cars, it's also the people. The Concours and Autocross are my favorite events, this year we were invited to show my 1965 911 in the Historic Display. We'll be attending many more!

–John & Monique Straub

What a great event with some awesome Porsches and great people! Can't wait for the next one! It's all about the drive.

–Scott Fleener

While I have been to a dozen Porsche Parades, the last one quite a while ago, it was absolutely wonderful to be in Palm Springs for the 2023 event. Once again we were immersed in everything Porsche; checking out the beautifully prepared cars in the Concours, participating in the Time-Speed-Distance and Gimmick Rallies, and taking drives to Lake Arrowhead and Julian filled our week. To say nothing of the gorgeous cars on display including a 963, a Paris to Dakar 953 rally car, and a real 959.

–Paul Friedman

Our first Parade was a great way to spend a week with old and new friends alike. And the Concours was a perfect way to start, amazing setting and a first place tie in class in our first time entered to boot!
—Randy Newkirk

Of course Palm Springs got a little hot in the day, that's the desert. I hadn't been there in awhile and explored some new places, the area is really developing. I wouldn't have come down if it wasn't for Parade. I might go back in the fall.
—Eric Synder

I found there is plenty to do at Parade. The Concours, of course, is always a main event. But the local tours toward the end of the week, got us to some new spots. It cost me extra money too, impressed by the Pirelli representatives, I subsequently bought some new tires.
—Alan Clark

It would have been foolish to pass up on Parade this year being so close to the OC. I'd never been before and glad I went. Just being around all those owners I learned a lot.
—Corky Evans

As this was our first Porsche Parade, Sherri and I were most interested in observing and learning for the few days that we planned to participate. While it was a surprise that there were not more Porsches entered to be judged at the concours, we were grateful that there were so many friendly and engaging people that were willing to share their stories and knowledge about their prized and quality vehicle.
—Lou Leto

Porsche Parade is a big affair to organize and the days were full. There is not another car group or club that could pull so many brand enthusiasts together.
—David and Samatha Simmons

After-hours is almost the best part of Parade. In some cases it has been a year or longer since seeing folks we had met at earlier Parades. I now have some new Porsche owner jokes to tell.
—Michelle Ranney

"I like seeing what little things people are doing to personalize their cars. While the same models may show up, something about each one is different.
—Sylvia Matthews
