PRESIDENT'S MESSAGE

Jim Miller

Hopefully Santa was kind to you and that your holiday gatherings with family, loved ones and friends were memorable. Santa was good to me this year with a 2021 911 Turbo which according to my wife, is my last 911 and my Christmas present for the rest of my life.

As you have probably surmised, I am not Monica. I am just the idiot who gets to follow one of the most prolific, energetic and involved President's we have ever had. What a wonderful four years we have had of her leadership, we are a better club because of her. Please take the time when you see her to thank her for all she has done. Personally, I am excited that she is now immediate past president and available to assist me in my duties.

I am excited to begin my duties with the new Board. We are all volunteers dedicated to making our club the best that it can be. Toward that end, we promise to be available, transparent and committed to continuing to make our club the best experience possible. We welcome suggestions you may have for future events, speakers and we welcome YOU if you would like to volunteer in any capacity to help the club.

I especially would like to welcome all new members. You joined our wonderful world when you purchased your Porsche and we want to make your experience here at PCA-OCR memorable. I am asking long-term members to take a new member "under your wing" and help mentor them and guide them in the many activities our club offers.

As a reminder, there is no Breakfast Club meeting in January so I will see you at the Breakfast Club meeting on Saturday, February 3, 2024.

Let's make 2024 and beyond a special time at PCA-OCR. Participate, volunteer and enjoy the ride!

While it is definitely about the cars, the icing on the cake are the people!

Best wishes for the happiest of Holidays and a wonderful New Year!

Jim Miller

The Mojo

I recently returned from visiting Porsche Palm Springs. In the showroom was a 2023 Jet Black Metallic on Black 911 Edition 50-Years Porsche Design. 1,063 miles and a pre-owned window sticker price of \$299,990 (internet price is \$279). With tax and license it was pushing well North of more than over a quarter of a million dollars.

Again classic Porsche strategy: decontented (reduced interior insulation), parts bin design (based on the Targa 4 GTS, gloss black brake calipers standard on the Sport Design package), limited production (750). If you ran your eyes over the car, it looked like any other black 911 you would see in Newport Beach. The valet at Mastro's wouldn't blink an eye.

Models like the PD-car are manufactured mojo. Real mojo is felt and sends a vibe. Mojo is different for everyone, some cars will have it, some don't, it is a personal thing. Stance and ride height helps a lot, the tire and wheel combination filling the wheel well just right--big plus, paint does not have to be perfect, wrinkles in the leather seats-- that works. You feel it when you see it.

Be kind, be generous, be well.

Where's Pando?

Stuttgart, Germany

Kit Chan, Connor and Shannon Chan

Over Thanksgiving Kit, Shannon and son Connor took a trip to Europe and visited the Porsche Factory in Stuttgart Germany. Kit reports weather was cold but well worth the visit! They toured the factory and had chance to see workers put together 911s including some Dakars.

Le Mans, France

Franck and Julien Vigneron

Franck and Julien Vigneron display the PANDO during their viewing of the 1951 Porsche 356 SL displayed at the 100th year anniversary of the 24 hours of Le Mans. The first Porsche to participate in the 24 Hours of Le Mans, and winner of its category on June 23rd 1951, the Porsche 356 SL marked the starting point of Porsche's glorious history at Le Mans which has lasted for 72 years without interruption.

Jim Miller

With the New Year comes a new President of OCR, Jim Miller.

Jim formally served as OCR Treasurer which was position appropriate as his day job has been as a Certified Public Accountant.

Jim spent his youth in far off lands; his father was in international construction, He was born in Casablanca, and grew up in Pakistan, Thailand, Australia and Zaire. So when he went off to college at USC, he was the stranger in a strange land.

An ardent USC alumnus, you know he is around with his license plate, USC4CPA, which is now riding on a Gentian Blue 911 Turbo. Previously it had been on Porsches in Red, White; and now Blue.

A long-term PCA member, he started out in San Gabriel before coming to OCR. The idea is to maintain the success the club has become, enhance the club's direction and future for the benefit of its members.

Stuttgart Market Letter

Report by David K. Whitlock

While this month's sell-through rate was once again below average at 68%, total dollar volume reached a higher than average sum of over \$40m thanks to a number of high-end cars coming to market, including two Carrera GTs, a 959, and 918 Spyder. We also saw the lowest sale of the year with a 1980 924 project car fetching \$500.

While that bottom of the market sale is impressively low, our top sale, a 2005 Carrera GT finished in GT Silver Metallic over an Ascot Brown interior showing just 601 miles was equally impressive at a final bid of \$1,781,420, a price we haven't seen since the summer of 2022. Earlier in the month a Fayence Yellow over Dark Grey 2005 Carrera GT sold for \$1,400,000 with just under 9,000 miles on the clock. Other million-dollar sales included a rare 2019 935 at \$1,626,000, a 1988 959 Komfort that brought \$1,600,000, a \$1,450,000 918 Spyder with Weissach Package, and a 1994 911 Turbo S 3.6 that just cracked the \$1m mark at \$1,075,000.

Certain GT cars were also impressive this month with a 4,000-mile Guards Red 2011 911 GT2 RS bringing a top-of-the-market price of \$705,000. This was a very strong sale against a \$480,000 average for 997.2 GT2 RS'. Also on the GT2 front was a 2003 911 GT2 that brought a solid number at

\$192,000 and a pair of 2018 GT2 RS' that brought \$278,000 and \$350,750.

992 GT3s continued their slide this month with winged cars selling at an average price of \$231,000 and a top sale of \$260,000 for a 6-speed example finished in Paint to Sample Gulf Blue. 6-speed Tourings were a little stronger with two cars selling for \$255,000 and \$279,000 as they distance themselves further from the \$300k mark. We also saw one more GT3 RS Weissach car come to market but it failed to sell at a final bid of \$380,000.

356s were a mixed bag with our top sale being a 1965 356 SC Sunroof Coupe selling for \$160,000, a good clip above the \$123,000 average we've seen over the last twelve months. We also saw strong results for 356 Cs with two examples selling north of \$120,000 propping the later 356 market up after a few disappointing sales and no-sales. One notable no sale for the month was a 1958 356 A Speedster that failed to sell at a final bid of \$293,000, which wasn't far off from other transactions we've seen lately.

On the normal 911 front, SCs and Carrera 3.2s had a hard time selling as only half the cars offered found homes in November with modified versions of both generations taking top honors. 964s continued their climb with a number of coupes above the \$100k mark and a sell-through rate of 75%. Your standard 993, 996, and 997s on the other hand were fairly flat all around, whether Coupe, Cabriolet, or a 4 or S.

As we head into the final month of the year, it looks like the overall market has steadied after a bit of a softening. However, with big sales from RM Sotheby's of The White Collection, and cars offered during NYC's Luxury Week, we expect some impressive results as a number of cars offered are prime collector examples of the best of what Porsche has produced.

Elks to Lucille's Gimmick Rally

Story by Glenn Billings/ Photos by Gary Ambrose

Rally Meister
Larry Moore

Since PCA-OCR members have been deprived of a gimmick rally for 2.5 years, Rally Meister Larry Moore thought it appropriate to ease the new and veteran drivers and their navigators back into the competitive fun by making a demo run that will look like future rallies to come.

At the driver's meeting, everyone gets an explanation on the route instructions, photo page and a control card to be turned in at the finish. Unlike a tour, where everyone follows behind one another, a rally is more of an individual competition with cars being green flagged off at one minute intervals.

On this day, we celebrated Veterans Day with clear blue skies, temperatures in the high 60s and began at the Elks Lodge in Santa Ana. The temperature started to rise as drivers passed their checkpoint and headed to Santiago Canyon to Cooks Corner. It was a 2 hour, approx. 50 mile run through some wealthy residential areas and scenic countryside. In the meantime, you had to look for certain photos and count railroad crossings, bridges and fire hydrants in certain, as of yet, unknown areas of the rally. You would score points for the most correct answers and most points would make you the winner!

However, since this was a 'demo run' gimmick rally, no medals were awarded as the 29 attendees and their 15 cars just had to get reacquainted with the friendly competition. Any questions or confusion on the part of the contestants were happily answered by Larry and everyone seemed pleased to have participated. We plan on more gimmick rallies in 2024, and hope to see more members register! It's fun!

Bucket List 2024:

With the new year, it is time to make your Bucket List plans. Suggestions on where to sit or watch at famous race tracks. Special thanks to our local correspondents.

Indianapolis 500, Indianapolis, Indiana

Grandstand J; watch cars exiting Turn 3, enter Turn 4 to look down toward start/finish.

Monaco Grand Prix, Monaco

Tribune V, watch cars exit Rascasse, go past Pit Lane entry, into Anthony Noghes, last turn to start/finish.

Circuit Spa Francorchamps, Belgium

Top of hill above Eau Rouge/Radillion; maybe La Source if you can get access or Malmedy.

Watkins Glen International, Watkins Glen, New York

The patio of the Jack Daniels Club at Turn One, where you can watch the cars go up through the Esses. Plus there is food and drink, but not inexpensive.

Lime Rock Park, Lime Rock, Connecticut

At the end of the main straight where everyone is trying out brake each other. A place where you can see drivers run out of road and talent at the same time.

Fiorano, Ferrari test-track, Maranello, Italy

Stand on the highway overpass looking through the trees, near Ristorante Montana

View of Monaco GP from Tribune K.

The Porsche Bucket List: Squadron of 5

Given the number of Porsche owners there are, it makes sense that there are many Porsche Squadrons of 5.

Not something secret, but it is discreet, fearful of offending someone wanting to make it 6. They should organize their own Squadron of 5.

The one Squadron of 5 I know about meets intermittingly, but about once a month. Models represented are 356 (Kevin xxxx and Troy xxxx), 911 (Frank xxxx and Eric xxxx) and a transaxle (Jon xxxx), last names are redacted for privacy.

This year this Squadron of 5 has decided to check off a mutual bucket list item: Monterey Car Week. They have done it individually before but not as a group.

They want to do it the Old School way: drive up in time for the Monday night event at the Seaside Porsche dealer, stay

at Monterey's Best Rate Motel. They will not tolerate any event costing dollars of three-digits or more.

Except for Eric and Kevin, these guys remember when the only auction was Rick Cole. So they will catch the preview nights to the auctions that will let them in.

The objective will be to do as much as possible for as little money as possible. One category that is open to exception is eating. Mandatory formations: Dinner at Mission Ranch. Thursday at Baja Cantina. Maybe a sunset Negroni at Highlands Inn on the way back from a Big Sur drive.

This Squadron of 5 are high-key guys looking to take the world on in a low-key way. The point is to drive their Porsches and know there is good company at the end.

Now their bucket list item for 2025, that will be big.

Laguna Seca, California

Top of hill looking onto The Corkscrew; reverse position to see most of the track Turns 1-5.

Mid-Ohio Sports Car Course, Steamers Corner, Ohio

The Keyhole at Turn 2 or the drop of Turn 5.

Road America, Elkhart Lake, Wisconsin

Sit on the grass at Turn 5 by the Lions Club Bratwurst Concession, watch the short uphill to the Corvette bridge; look left to see the field come out of Thunder Valley and head for last turn up to start/finish.

Daytona Rolex 24-Hour, Daytona Beach, Florida

Back stretch near "Bus Stop" Especially late at night.

Daytona 500, Daytona Beach, Florida

Main Grandstand, as high as possible.

12-Hours of Sebring, Sebring, Florida

End of straight leading to the former hairpin Turn 7: or Turn 10, Cunningham Corner, for people watching.

DRY ICE CLEANING

RESTORATION AND PRESERVATION SOLUTIONS

Dry Ice Cleaning is a gentle form of blasting that employs a combination of air and dry ice pellets. It achieves remarkable results by cooling the surface to an extremely low temperature of -109 degrees, thereby loosening contaminants. With the added force of kinetic energy, it effectively eliminates all forms of dirt and grime without causing any harm to the original surface coating.

PCA-OCR's 2023 Annual *Toys for Tots Drive*

It was a perfect day for OCR's Annual Toy Drive on December 9, 2023. The USMC from Company G, 2d Battalion, 23d Marines from Seal Beach provided 12 Marines, a Howitzer, MTRV, HMMWV machine guns and a mortar for the members and their families to get up close and personal and have the Marines walk them through the functionality of their artillery.

Meanwhile, HBPD showed up in full force with their Equestrian unit who demonstrated their crowd control talents, one of their powerful K9 Officer's, Nacho, and their Static SWAT Display, "Bear." A surprise visit from the Chief of Police, Eric Parra, Huntington Beach's Mayor, Gracey

Van der Mark and Mayor Pro Tem, Pat Burns were present to support our Toy Drive. A huge thank you to Captain Bo Svendsbo of HBPD for organizing the units from HBPD. SANTA treated all the kids to a nice bag of goodies to thank them for their donation.

Overall, OCR generously donated 32 large USMC boxes filled with toys. It is noteworthy to mention the boxes were ~15% larger this year, so WELL-DONE OCR! Additionally, \$500 and two \$25 gift cards to Target were donated.

Monica receives the Pinnacle Award

2023 Holiday Party & Silent Auction

Story by Monica Asbury
Photos by Gary Ambrose and Jim Storms

The American Legion Newport Harbor was the happening OCR place on Sunday, December 10, 2023. Over 140 members attended the sold-out Holiday Party. I would say there was definitely merriment in the air.

Everyone took home a nice 'party favor' in addition to raffle prizes and the silent auction items which ranged from a Porsche Motorsports Coffee table to Porsche pillows to a summer basket filled with all your summer needs. Prizes were awarded to the most festive dressed. Bonnie Van Holt taking the prize for the ladies and a tie between the men, Joe Litavis and Tom Gray winning for their category.

I was awarded the Pinnacle Award by the Immediate Past President, Barry Michaels. It has been absolutely wonderful being president of the OCR for the past four years. This Club is simply the best! I am honored and extremely grateful for such an honor to have been bestowed upon me.

A sincere thank you to our sponsors, advertisers and friends who helped make our auction a success and bring in a whopping \$31,254 for Semper Fi!

Our club members donated \$7,600 to Semper Fi & America's Fund from our Hearts & Garages luncheon, with the assistance of Joseph Fan, at the Finish Line with a couple garage owners matching our donation, for a total of \$15,200.

A Semper Fi benefactor is matching all donations turned in prior to the end of the year so our total donation is \$46,454 or \$92,908!!

Congratulations OCR on practicing the 'Art of Giving' which is the best feeling in the world to such a worthy charity!

Next year, please register early for our Holiday Party. This year was the largest waiting list we have ever had and unfortunately could not accommodate everyone.

Happy New Year! Let's continue to practice the art of giving throughout the New Year!

The Pinnacle Award is the highest individual honor awarded to a member of the Orange Coast Region who has demonstrated, for a period of ten consecutive years or more, exemplary leadership and contributions to the region above and beyond the execution of normal responsibilities. The recipient will have demonstrated the highest standards in meeting the objectives and ideals of the Porsche Club of America. In addition, the recipient will have shown initiative in organization and support of ongoing activities and the development of new activities for the benefit of OCR members, the local community and charities. Beyond the Orange Coast Region, the recipient will have made substantial contributions to Zone 8 and PCA national.

Master Sergeant Davey Lind, USMC (Retired) speaking at the Hearts & Garages Tour & Luncheon.

Hearts & Garages Tour 2023

What an amazing day at our Hearts & Garages Tour & Luncheon benefiting Semper Fi at Finish Line. As you know, it was a sell-out and from the feedback I received it was a sensational Sunday with ooohs, aahs and a lot of drools! Your attendance and participation was much appreciated.

A HUGE OCR THANK YOU goes to our host, Joseph Fan, who made the entire day possible. His tireless work managed to open 14 garage condos, provide a delicious catered hot

lunch and even had a gourmet coffee truck treat us to some of the most incredible coffees and lattes!

We were able to raise \$7,600 for Semper Fi today with some of the garage condo owners, including Joseph, committing to increasing that amount to equal a 5-digit donation!

Sometimes, you don't even know what to say except, THANK YOU!
